

Back 2 School Health Clinic

IMPORTANT INFORMATION

PLEASE READ CAREFULLY

Although our Back2School health Clinic events focus on new families moving to our beautiful city, we also want to ensure our current students are just as prepared for another successful school year.

This year, we are now offering 7 locations to choose from during the month of July and August to ensure your child(ren) is able to enroll in school time. Due to current CDC and local government guidelines, we are limiting the number of individuals attending this year's event. Event includes:

- No Cost routine immunizations, COVID Vaccinations, and school physicals are offered by local health & medical partners
- No Cost Eye Exams | Dental Screenings | Hearing Screenings
- Access to programs and services offered by local community & health agencies.

To attend one of our Back2school Health Clinics, you must go online and register beginning June 1, 2022, at [www. Back2schoolhealthclinic.org](http://www.Back2schoolhealthclinic.org). Your child(ren) must be eligible for medical services to attend one of our seven locations located in North Tampa, East Tampa, West Tampa, Central Tampa, Plant City, Ruskin, and Dover.

Please remember to bring a hard copy of your child(ren)'s shot record, no exceptions! Each child must be accompanied by a parent or legal guardian. Parents, please bring a picture ID; Legal guardians must have a picture ID and court documents.

Please be advised, we DO NOT OFFER Sports, Head Start or daycare physicals!

About physicals and immunizations

For your child(ren) to be eligible to receive a physical and/or immunization, you must set a registration time online at www.back2schoolhealthclinic.org. starting June 1, 2022. You will be offered the opportunity to choose a location and registration time for one of our 7 sites. Please do not register your child more than once and please do not attempt to register your child at multiple locations. You will be provided with a confirmation number at the end of your online registration, which confirms your child(ren) have been registered to receive his or her school physical, immunization, and/or shot records transfer

Children entering kindergarten or 7th grade must be up to date on their vaccinations. This is a requirement to attend a Hillsborough County Public Schools

If your child(ren) is making his or her first entry into Florida Schools, please ensure your child vaccinations are up to date. If not, we ask that you upload a copy of the shot records during the online registration or email a copy to shotrecords@back2schoolhealthclinic.org.

We ask that you **Please bring a hardcopy of your child's shot records to your selected event site.**

If this will be your child(ren) first time attending any Hillsborough County Public School from grades K thru 12 you will need to schedule a physical at one of our six locations.

If your child had attended a school in the State of Florida, but transferring from a different County to Hillsborough, you will be required to show a completed physical examination form as part of their school record. If you can show proof your child had received a physical from another Florida School district, your child will not have to complete a physical to attend school this coming fall.

Hillsborough County Public Schools only require a child to receive at least 1 school physical during his or her K-12 school tenure.

If your child is coming from another state or from a private school, you must present a physical examination completed in the past 12 months by a State of Florida approved licensed health provider. This will be required when registering your child at his or her new school.

Parents or Legal Guardians, please bring your online registration confirmation letter for children registered to receive a physical and/or immunization, along with a hard copy of the child's shot records and your picture ID. Legal guardians may be required to show court records.

Due to a large number of attendees, the process could last up to 2 hours.

For more information about immunization requirements, please visit the Hillsborough County school website at www.Sdhc.k12.fl.us, go to the search box and type "school health services"

About Shot Records

If your child is making his or her first entry into Florida Schools, please ensure your child vaccinations are up to date. Please upload a copy of the shot records during the online registration, or email a copy to shotrecords@back2schoolhealthclinic.org, or you may fax shot record documents to 813.315.4023. For immediate assistance, you may contact the Hillsborough County Health Department at 813-307-8000, to have records transferred.

Although, your child may be up-to-date on shot records, he or she will still be required to get a school physical before being eligible to attend a Hillsborough County Public School. This only applies to first-time students to Hillsborough County Public schools (k-12).

If you know your child is up-to-date on all his or her vaccines, but do not have the documentation on a Florida Form HD 680, you will be required to have that information transferred to a Florida Official Form. This will be done during your registration time at your selected site. Again, for immediate assistance, you may contact the Hillsborough County Health Department at 813-307-8000, to have records up- dated.

Parents or Legal Guardians, please bring your online registration confirmation letter for children registered to receive a physical and/or immunization, along with a hard copy of the child's shot records and your picture ID. Legal guardians may be required to show court records.

For more information about immunization requirements, please visit the Hillsborough County school website at www.Sdhc.k12.fl.us, go to the search box and type "school health services"
